United States District Court  
for the District of Delaware  
844 N. King Street

**Re:   *Sysmex Corp. et al v. Beckman Coulter, Inc.*,  
C.A. No. 19-1642-JFB-CJB**

Dear Judge Burke:

Sysmex respectfully requests that the Court authorize the attached juror questionnaire to be sent to the prospective jurors in advance of trial. The parties have conferred and BCI has advised that it does not oppose Sysmex's request but does not join it. To the extent the Court permits the use of this attached questionnaire, the parties will work with juror services to provide sufficient copies to be provided to prospective jurors.

Respectfully,
